Your church impacts global, day-to-day ministry

Your church empowers churches to serve their communities, enable job creation, and fuel ministry programs.

Need: \$900,000

Your church equips essential ministry support

Your church makes it possible to share the needs of the people we minister to and allow more people to connect with what God is doing at Lifeline.

Our support ministries simultaneously 1) deliver programs to those we serve and 2) deliver accountability and opportunities to our sponsors and donors.

Need: \$600,000

Your church creates new ministry initiatives

Too many people still need Jesus' saving grace! It takes resources to grow, expand, and develop new ministries and initiatives to take His love to everyone, everywhere.

Need: \$600,000

Total need: \$2.1 million

How can your church be part of this? Check out the back page.

Because your church provides a strong foundation, needs are met, ministry is equipped, and growth occurs.
